

Butt and picnic band saw

Clean cuts, **no** shattered bones

The butt and picnic band saw requires no special device to hold the shoulder during separation of the butt and the picnic, and ensures clean cuts without shattered bones.

Hygiene

The butt and picnic band saw is approved for the food processing industry.

Safety and legal requirements

The butt and picnic band saw is CE approved and designed in accordance with the EU and USDA regulations to meet the strictest demand on health and safety.

Why the **butt and picnic band saw!**

- Customized angle cut
- Eliminates shattered bones
- Safe use for operator
- Food safety
- No water required during operation
- CIP system and easy to clean
