

## SERVICE SOLUTIONS // AMBL UPGRADE

# OBTAIN AN EVEN HIGHER YIELD ON YOUR AMBL

Precise and clean cuts of the pork middle is one of the most important functions in your AMBL, fundamental for you to achieve best price for meat.

We would like to present you with the option to obtain an even higher yield from your AMBL by installing the newest update, easily added to your existing system.

Specialists at Frontmatec have developed three new meat knives used for the loin and loin ribs, providing you with the option to gain a considerable amount of additional product, as well as a reduction of the time spent, when an exchange of the meat knife is necessary.

For more information on how fast you can achieve yield improvements, call us today. We are here to help.

## Value for you!

- Gain a considerable amount of additional product\*
