

PORK // SINGLE BLADE CIRCULAR SAW

FAST AND SAFE FEET CUTTING

The Frontmatec single blade circular saw cuts off the foot or the hock safely and accurately. The product is then automatically sent to separate conveyors; no need for manual sorting of products.

Hygiene

The Frontmatec single blade circular saw is approved for the food processing industry.

Safety

The Frontmatec single blade circular saw meets the strictest demands on health and safety and is CE-approved.

Legal preconditions

The Frontmatec single blade circular saw is designed in accordance with the EU and USDA regulations.

Value for you!

- Hinged base allows fast and easy blade replacement
- Safe use for operator
- Increased productivity
